1

Submissions Deadline for earning a Winning Certificate is **Extended** to **Monday, Nov 24!!!**

The **non-coding and Hackathon options** can be starts on **projects**; they don't have to be fully worked out.

2

Project Idea: (1-2 pgs max total)

Short answers on questions:

- How will QC affect our futures?
- How will QC and AI affect our futures?
- What are the pro's and con's of each type of qubit?
- How many qubits are required for Shor's alg?

3

Our **last in-person FF25 Meetup** will be next **Saturday, Nov 1, 2-4 pm**, at the Montlake Branch of the SPL.

Topics TBD:

- 1) DiVincenzo Intermediate Notebook
- 2) Working in QC, Getting a job, Where are the jobs?

4

Upcoming Summit:

TechAlliance Policy Matters Summit | The Quantum Frontier

<https://luma.com/sxwd8icd>

Qiskit Learning Resources

IBM Quantum Platform

- Learning: courses
- Tutorials: Qiskit
- Guides: Documentation
- API Reference: Qiskit

Qiskit Channel on YouTube

<https://www.youtube.com/qiskit>

IBM Quantum Challenges and Qiskit Developer Certification

- QGSS: Qiskit Global Summer School
- Maybe a Spring Challenge?
- Study for the Qiskit Developer Certification exam

Qiskit Community

- Slack Channel
- Unitary Foundation’s unitaryHACK
- Other Hackathons and Industry Challenges
- Books

Qiskit Jupyter Notebooks

Hello World

<https://quantum.cloud.ibm.com/docs/en/tutorials/hello-world>

Beginner Notebook

- Qiskit Fundamentals

https://github.com/SeattleQuantumComputingMeetup/qiskit_fall_fest_2025/tree/main/coding_challenges

Intermediate Notebook

- DiVincenzo Criteria

https://github.com/SeattleQuantumComputingMeetup/qiskit_fall_fest_2025/tree/main/coding_challenges

Hackathon Prompts

- No Notebooks associated with these

https://github.com/SeattleQuantumComputingMeetup/qiskit_fall_fest_2025/tree/main/hackathon_prompts

Qiskit Beginner Challenge Notebook

1

Software Setup

2

Circuits and Visualization

3

Optimize, then Run on
Simulator or Fake Backend

4

Run on Real Quantum HW

Qiskit Fall Fest 2025

Thanks for Coming!!!

Deadline for Submissions: Monday Nov 24, 10 am PT

Next IRL Meetup: Saturday Nov 1, 2 pm PT

Upcoming Event: TechAlliance, Nov 19, South Seattle

Upcoming Meetup: Date? in December w/**Holiday Party**

Century of Quantum
